MEMORANDUM FOR: (See external distribution)

FROM:

Legislative Division
Office of Congressional Affairs

STAT

SUBJECT: Draft Intelligence Community Legislative
Program for Second Session of the
101st Congress: Call for Items

1. This memorandum initiates the process of formulating the Intelligence Community Legislative Program for the Second Session of the 101st Congress by soliciting your comments for items to be included. The program, when finally prepared, will be submitted to the Office of Management and Budget (OMB) by the Director of Central Intelligence.

2. Attached at Tab A is a copy of a draft program. The draft currently contains only one item: the FY 1991 Intelligence Authorization Bill. Since we may not be able to incorporate all proposed initiatives into this year's legislative program, we request that you prioritize your individual proposals. Initiatives from DoD components should be accompanied by a statement indicating the views or the likely views of the Department of Defense. We ask for your comments and suggestions for additional proposals by 25 August 1989. We will then prepare a package for submission to OMB by 1 September 1989.

3. With respect to new proposals, it is not necessary to submit specific statutory language. A description of each problem or goal, accompanied by an explanation of why it is thought legislation is necessary to solve or achieve it, is sufficient. All suggestions should also be accompanied by your views as to whether or not the proposal has Intelligence Community applicability.
